

Initiative Blueprint

INITIATIVE / PROGRAM NAME

PURPOSE <i>What value does this deliver to students? How will students benefit from this initiative? How will we communicate this to others? How does this reflect our north star for student success?</i>	INTENDED OUTCOMES <i>What do we want students to gain as a result of this? What do we hope they feel or experience? How does this help the institution?</i>	RESOURCES <i>What kind of data will we need to support or inform this initiative? What institutional resources (spaces, equipment, etc) do we need? What kind of budget do we have? (alternately, what funding could we seek?)</i>	NOTES
STAKEHOLDERS <i>Who are the key stakeholders for this initiative? What departments need to be involved? Whose buy-in will it be important to gain? Who should we partner with?</i>	MEASURING SUCCESS <i>What metrics will help us determine success? What will help us build confidence in this idea? What indicators of success should we look out for?</i>	TIMELINE <i>When do we hope we can implement this initiative by? How long is this initiative going to run?</i>
